SEEK AND AAA WORKBOOK EVIDENCE

I attached it on the google drive 7-14 and 16-21

PEER TEST

When we tested it it was working good until the struggle happened but it was fixed.

PRODUCTIVE STRUGGLE

It failed to detect the important information and reports.

NEXT TEST

What I would change is

CODE MAP SELF-CHECKS

7 of 7 marked complete by learner

Learner-entered record. Canvas remains the official submission, feedback, and grade record.
